

ICELA

CAFE

THE COOLEST COFFEE HOUSE

COFFEE-HOUSE INSPIRED ICE CREAMS

Coffee ice cream flavors just got cooler. Icela Cafe is pairing ethically-sourced coffees and teas from around the globe with gourmet dairy and vegan ice creams mixes, offering a third taste in your third space, restaurant or catering and special events. Icela makes it easy to serve fun, artisan unique ice cream flavors for the Back of House or even in the smallest footprint concepts. No need for expensive equipment. Make house-made ice cream that enhances your menu in a matter of minutes.

ICELA ALSO OFFERS SUSTAINABLE ADD-ONS!

Edible dessert spoons that come in cool flavors.

Italian biscotti cookie cups that can hold hot coffee, chocolate and teas like a champ.

WE MADE IT EASY, YOU MAKE IT COOL

Add something fun and new to your menu board. Our mixes come in ready-to-pour, refrigerated or shelf-stable powders. Choose from our many hand-selected, high-quality, sustainably sourced fair-trade coffee and teas. Each of the coffee and tea flavors come pre-measured, ready to churn. You can prepare in-house, just add the mix to an ice cream maker of your choice and press ON.

2 SIMPLE STEPS TO HOUSE-MADE ICE CREAM

- ❖ Pour the mix into one of our suggested commercial tabletop ice cream freezers.*
- ❖ Scoop the finished ice cream into the edible espresso cups.
- ❖ Serve delicious, house-made, ethically sourced coffee and tea ice creams.

You can pre-fill your “to go” cups with each of the flavors or store in stackable gelato or catering containers for fast, easy service.
